

Durable. Efficient. Flexible.

Daikin DAQ multi-position air handlers are suitable for upflow or left-sided horizontal installations to accompany your 7½ and 10-ton split-system units. These units feature a fully insulated fiberglass blanket for quiet, efficient operation.

Features:

- » Upflow or horizontal (left side) installation positions in 7½ and 10-ton cooling-only or heat pump applications
- » Circuited for use with one (1) 7½-ton or one (1) 10-ton cooling-only or heat pump system.
- » TXV control for quiet, efficient operation
- » Copper tube/aluminum fin coils
- » Built-in filter rack (2" filter included)
- » Entry on top of panel for both low and high voltage
- » Removable access panels make servicing of unit faster and easier
- » AHRI Certified; ETL Listed
- » DAQ air handlers feature two 5-speed direct-drive motors.
- » Fully insulated with fiberglass blanket
- » Heavy-gauge, reinforced, galvanized-steel cabinet
- » R-32 leak mitigation system.

Applications:

Outstanding Warranty* Protection

* Complete warranty details available from your local distributor or manufacturer's representative or at www.daikincomfort.com.

Additional information

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

About Daikin:

Daikin Industries, Ltd. (DIL) is a global Fortune 1000 company and is recognized as one of the largest HVAC (Heating, Ventilation, Air Conditioning) manufacturers in the world. Founded in 1924, Daikin is approaching 100 years of HVAC worldwide leadership. DIL is primarily engaged in developing indoor comfort systems and refrigeration products for residential, commercial, and industrial applications. Its consistent success is derived, in part, from a focus on innovative, energy-efficient, and premium quality indoor climate and comfort management solutions.

R32 Compatible with R-32 refrigerant

Our continuing commitment to quality products may mean a change in specifications without notice.
