[^] This furnace does not comply with the SCAQMD Rule 1111 14ng/J NOx emission limit and therefore is not eligible for installation in California's South Coast Air Quality Management District (SCAQMD). This furnace may be installed in SJVAPCD until 4/1/2022 provided the date of manufacture is September 30, 2021 or earlier and the emission fees are paid.

^{^^} This furnace complies with the SCAQMD Rule 1111 14ng/J NOx emission limit and therefore is eligible for installation in California's South Coast Air Quality Management District (SCAQMD) and San Joaquin Valley Air Pollution Control District (SJVAPCD).

Daikin provides innovative, premium quality indoor climate management solutions to meet the changing needs of residential, commercial and industrial customers.

DAIKIN *ONE+*
SMART THERMOSTAT

Daikin *One+* smart thermostat
Many Daikin products are Daikin *One+* smart thermostat compatible. If you seek ultimate home comfort, the Daikin *One+* smart thermostat is an integrated solution for controlling temperature, humidity, and air quality. Learn more at www.daikinone.com.

Why choose Daikin?

Daikin is the world leader when it comes to heating and cooling. Thanks to our constant innovation in comfort, energy efficiency, control and reliability, we define the benchmarks for quality within the industry.

Expert reviews from our most important critics.

Daikin offers a wide selection of choices for energy-efficient indoor comfort. As a worldwide leader in heating and cooling technology, Daikin is also a highly-rated brand. See for yourself at www.daikincomfort.com/reviews.

Additional Information

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

Our continuing commitment to quality products may mean a change in specifications without notice.
