

NEW R-32 MODELS

A SELF-CONTAINED HVAC SYSTEM

The **all-in-one package system** that provides heating/cooling within a **single outdoor unit** for whole-home comfort. A better understanding of how people inhabit their living spaces has led to products designed to create indoor environments that **use energy resources more effectively**. Select a packaged air conditioner if only cooling is needed. Select a packaged heat pump if you desire both cooling and heating. Select a packaged gas/electric or dual fuel model if you need extra performance during the colder months. For replacement or new construction, a Daikin packaged system will provide efficient comfort to your family for years.

* Complete warranty available from your local dealer or at www.daikincomfort.com. To receive the 12-Year Parts Limited Warranty, and/or the 99-Year Heat Exchanger Limited Warranty (good for as long as you own your home), and/or the 6-Year Unit Replacement Limited Warranty (good for as long as you own your home), online registration must be completed within 60 days of installation. Online registration is not required in California, Florida, or Québec. The duration of warranty coverages in Texas and Florida differs in some cases. Additional requirements for annual maintenance are required for the 6-Year Unit Replacement Limited Warranty. Changes in law, regulations, or technology may result in an equivalent unit not being available. Other limitations and exclusions apply, refer to complete warranty details for full list of limitations and exclusions, as well as rights and obligations should an equivalent unit not be available.

^ This furnace does not comply with the SCAQMD Rule 1111 14 ng/J NOx emission limit and therefore is not eligible for installation in California's South Coast Air Quality Management District (SCAQMD), San Joaquin Valley Air Pollution Control District (SJVAPCD) and Bay Area Air Quality Management District (BAAQMD).
