

DAIKIN ONE WIRELESS RHT SENSOR

Description

The Daikin *ONE* Wireless Relative Humidity and Temperature (RHT) Sensor) is a compact, wireless sensor designed to measure the average temperature and humidity between the sensor and the thermostat. It delivers thermostat-like functionality by sensing temperature and humidity conditions with control and monitoring through the *SkyportCare* app.

Up to 8 Daikin *ONE* Wireless RHT Sensors can be connected to a single Daikin *ONE+* smart thermostat. Each sensor is battery-powered, requiring no wires, and can be easily mounted in any room, within the same controlled zone, to enhance comfort and efficiency compared to having only the Daikin *ONE+* smart thermostat by itself.

Standard Features

- Cost-Effective, Thermostat-Like Control: Provides sensing only, but enables full control via the *SkyportHome* app-offering a smart, lower-cost alternative to installing additional thermostats without a physical display
- Wireless & Battery-Powered: Easy to mount anywhere — no wiring needed
- Zonal Comfort & Efficiency: Measures and averages temperature and humidity across rooms
- Compatible with Daikin *ONE+* Thermostat
- Sub-GHz Communication: No Wi-Fi required
- Battery Life: Up to 1 year
- Pairing wizard for signal strength, sensor naming, and calibration
- Multi-Sensor Support: Up to 8 sensors per thermostat
- App Integration: Connect and monitor via *SkyportCare*

SPECIFICATIONS

Model	DSEN-TH-BWS-A
Description	Daikin <i>ONE</i> Wireless RHT Sensor
Maximum Connections	8 sensors per Daikin <i>ONE+</i>
Power Requirements	CR2450 Lithium Cell Battery
Dimensions	1.64"L x 1.64"W x .69"H
Weight	3.3oz
Storage Temperature	-22°F to 122°F
Operating Temperature	35°F to 104°F
Humidity	5-95% RH
Compliance	FCC (sub-gig ISM radio)

* Complete warranty available from your local dealer or at www.daikincomfort.com. To receive the 12-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California, Florida, or Québec. The duration of warranty coverages in Texas and Florida differs in some cases. Other limitations and exclusions apply, refer to complete warranty details for full list of limitations and exclusions.

¹ 12-Year Limited Warranty is available for owner-occupied residences only. For multi-family and/or commercial applications, the warranty period is 5-years.
